Subject: Beaver Lake North Unit 30 Prescribed Fire

Hello everyone,

Assuming weather and air quality conditions become favorable we are planning to implement a 34 acre

prescribed fire in the Beaver Lake area this spring.

This is the last treatment we have to implement from the Beaver Lake North Hazardous Fuels Reduction Project.

Feel free to respond or give me a call if you have any questions, comments or concerns.

Please forward this email to your neighbors or anyone else that maybe interested.

Thanks.

Michael West
Asst. Fire Management Officer (Fuels)
Forest Service
Flathead National Forest, Tally Lake Ranger District
